5. [redacted] Received a call from Jim Woolsey, Senate Armed Services Committee staff, who said that they would like to have copies of our answers to Senator Baker's letter of 8 November 1973 and Colby's response if it was available. I told him they had not been finalized as yet, but said we would do our best to have them ready for Mr. Colby by tomorrow.

6. [redacted] Talked with Jim Calloway, Counsel, Senate Appropriations Committee, again and told him we still had no definitive information from the House Armed Services Committee regarding the former Agency employee in whom Calloway has an interest. I told him we would let him know as soon as we heard something about the House Committee's decision about employing this man.
